SELL THE NOMENCLATURE?

At the recent board meeting in Tampa the board was told that some of the members of chapters do not want to receive the nomenclature. They are members more for the social advantages than a deep interest in hibiscus.

In this case it would be a waste of money to send nomenclatures and supplements to them. The Executive Secretary would appreciate a card from those members who do not care to receive supplements to the nomenclature. Please drop him a line so that the new mailing will not go out if it is not wanted.

A committee headed by Walker Lyon was appointed to study this subject and make a recommendation to the members at the annual meeting. As of this moment the thinking of the committee is to sell the Nomenclature for possibly $3.00 to anybody that wants one. Perhaps in this way the dues would not have to be raised.

CHANGES TO BY-LAWS

All chapters and members are reminded that any proposed changes to the by-laws must be sent to all members 30 days in advance of the Annual Membership Meeting. This means that they will have to be in the mail by May 15th.

The best and most inexpensive way to do this is to publish the proposed changes in the next issue of the Seed Pod. If you have any proposed changes please get a copy to the Executive Secretary at once so it can be published.

Lee was walking along the street the other day and noticed a small boy reaching to try to ring a doorbell. Lee helpfully rang the bell for the boy, and then asked: "Now, my boy, what are you going to do?"

With sudden animation, he answered: "I'm gonna run like the devil. What are you gonna do?"
